CARE HOME

Specialist care homes for the elderly

YOU AND YOU ALONE MATTER

At Milkwood Care, we strive to provide unrivalled high standards of care in each of our stunningly beautiful homes where only you matter. We strongly believe in the total well-being of each one of our residents and aim to provide a personal, caring environment, where everything is set up and driven to maximise the happiness and well-being of residents.

We aim to make life at a Milkwood home a life-enhancing experience in a relaxing, yet uplifting sanctuary. Milkwood is an excellent example of how we have developed and continue to achieve this.

OUR HOME IS YOUR HOME

Milkwood House offers the highest standards of residential care for the elderly in a relaxed and intimate environment, in the idyllic location of Liss in Hampshire.

Our home has two comfortable lounges, two dining rooms and a smaller sitting room for quiet reading. Milkwood has a distinctively homely, yet stylish, character and is set in beautiful secluded gardens, available for residents and guests to enjoy year round.

A CLOSE-KNIT INTIMATE ENVIRONMENT

Milkwood offers luxury accommodation for residents aged 65 years and over. We have a mixture of single and double rooms, the majority are en suite with a terrace or views onto our well established gardens.

Residents and guests are free to enjoy our beautiful garden space year-round. We have the latest technology to ensure residents and visitors are up to date and connected during their stay here. Wifi, broadband and ipads are available for everyone to enjoy.

We compile a regular newsletter, packed with photos and stories, to keep residents' friends and families up to date with our activities.

We are animal lovers and welcome pets by pre-arrangement. We regularly have petting animals visit and all our residents enjoy the therapeutic benefits of stroking and talking to these furry friends.

ATTENTIVE, PROFESSIONAL CARE

Our enthusiastic and dedicated staff are one of our most valued assets. Our fully-qualified team provide 24/7 care and we work hand in hand with local health professionals, who are on call for when we require specialist care. We train all our staff to the very highest standards, ensuring they are abreast of the latest techniques in dementia care or stimulation therapy, for example. As a registered care home, we are able to care for residents with dementia. Our support team are talented in their roles; every employee at Milkwood has a part to play in delighting our residents, whether they are one of our guest entertainers, experienced kitchen staff or a member of our efficient administrative team. Our residents enjoy 5 star catering - our talented chefs serve a wide range of delicious mealtime delights.

VARIETY IS THE SPICE OF LIFE

Our rich schedule of regular and ad hoc activities gives our residents the opportunity to participate in their favourite pastimes, learn new skills, venture outdoors and keep their minds & bodies fit and alert. We have a creative and enthusiastic support team who devise a broad programme of activities, including reminiscence therapy, musical movement, flower arranging and other crafts. Our garden is equipped with outdoor percussion instruments that residents can play and enjoy listening to year round. Our annual fete is a renowned and anticipated local event. Friends and locals from Petersfield and beyond flock to participate. We run our own minibus and organise regular outings and visits.
