CARE HOME

Specialist care homes for the elderly

# YOU AND YOU ALONE MATTER

---

At Milkwood Care, we strive to provide unrivalled high standards of care in each of our individually beautiful homes. We strongly believe in the total well-being of each one of our residents and aim to provide a personal, caring environment, where everything is set up and driven to maximise their happiness and quality of life.

We aim to make life at a Milkwood home a positive, life-enhancing experience in a relaxing, yet uplifting sanctuary. Applewood is an excellent example of how we have developed and continued to achieve this.

# OUR HOME IS YOUR HOME

---

Applewood offers the highest standards of residential and dementia care for the elderly in a homely and intimate environment, set in an idyllic village location near Basingstoke.

Originally Applewood was a working farm and shop before becoming part of Bramley army camp, where it was used as The Officers Mess. It has comfortably furnished lounges, a tranquil quiet room and a large, bright dining room conservatory.

The building is set in landscaped enclosed gardens, accessible for residents and guests to enjoy year round.

# A CLOSE-KNIT HOMELY ENVIRONMENT

---

Applewood offers a mixture of single and double rooms, set on two floors, many with views over the gardens. A passenger lift ensures wheelchair access throughout the home.

We have the latest technology, enabling our residents and visitors to be up to date and connected during their stay here. A fully accessible minibus allows our residents to get out and about on a regular basis.

We compile a regular newsletter, packed with photos and stories, to keep residents' friends and families up to date with our activities.

We understand the importance of animal therapy and pets are welcome by pre-arrangement.

Applewood is in a perfect location, that combines rural tranquility with easy access to all the amenities of Basingstoke.
