

BRAEBURN LODGE
MILKWOOD CARE

A specialist care home

YOU AND YOU ALONE MATTER

At Milkwood Care, we strive to provide unrivalled high standards of care in each of our stunningly beautiful homes where only you alone matter. We strongly believe in the total well-being of each one of our residents and aim to provide a personal, caring environment, where everything is set up and driven to maximise the happiness and wellness of residents.

We aim to make life at a Milkwood home a life-enhancing experience in a relaxing, yet uplifting sanctuary. Braeburn Lodge is an excellent example of how we have developed and continue to achieve this.

OUR HOME IS YOUR HOME

Braeburn Lodge offers the highest standards of residential and dementia care for elderly residents in a homely, intimate environment.

The building is a beautifully renovated former public house, set in landscaped gardens, in the idyllic village of Beenham, near Reading. The meticulous, yet sympathetic, transformation of this old inn has created a stunning home that is full of character and features generous living space, gardens and parking.

A CLOSE-KNIT INTIMATE ENVIRONMENT

Braeburn Lodge offers luxury accommodation for all its residents. We have 12 individually designed, luxury en-suite bedrooms, each featuring a walk in shower and private lounge area. Residents enjoy scenic views and access to beautifully landscaped gardens featuring apple trees, hence the name 'Braeburn Lodge'.

Our bright, airy living spaces present a cheery welcome and a passenger lift to the first floor ensures wheelchair access throughout the home. We have the latest technology enabling our residents and visitors to be up to date and connected during their stay here. WiFi, broadband and iPads are available for everyone to enjoy.

We compile a regular newsletter, packed with photos and stories, to keep residents' friends and families up to date with our activities.

We are animal lovers and welcome pets by pre-arrangement. We regularly have petting animals visit and all our residents enjoy the therapeutic benefits of stroking and talking to these furry friends.

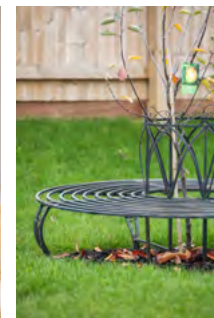

Original character features, combined with contemporary comforts and state-of-the-art equipment in peaceful surroundings, make Braeburn Lodge the perfect environment for care.

ATTENTIVE, PROFESSIONAL CARE

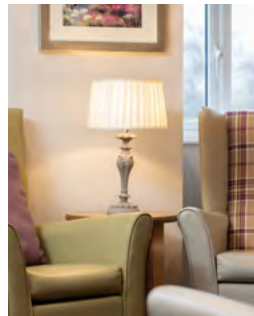

Our enthusiastic and dedicated staff are one of our most valued assets. Our fully-qualified team provide 24/7 care and we work hand in hand with local health professionals, who are on call for when we require specialist care. We train all our staff to the very highest standards, ensuring they are abreast of the latest techniques in dementia care and stimulation therapy for example. Our support team are talented in their roles; every employee at Braeburn Lodge has a part to play in delighting our residents, whether they are one of our guest entertainers, experienced kitchen staff or a member of our efficient administrative team. Our residents enjoy 5 star catering - our talented chefs serve a wide range of delicious, nutritious mealtime delights.

VARIETY IS THE SPICE OF LIFE

Our rich schedule of regular and ad hoc activities gives our residents the opportunity to participate in favourite pastimes, learn new skills, venture outdoors and keep their minds & bodies fit and alert. We have a creative and enthusiastic support team who devise a broad programme of structured activities, including reminiscence therapy, musical movement, flower arranging and other crafts. Our garden is equipped with outdoor percussion instruments that residents can play and enjoy listening to year round. We run our own minibus and organise regular outings and visits.
