

THE ORCHARD
MILKWOOD CARE

A specialist care home

YOU AND YOU ALONE MATTER

At Milkwood Care, we strive to provide unrivalled high standards of care in each of our stunningly beautiful homes where only you matter. We strongly believe in the total well-being of each one of our residents and aim to provide a personal, caring environment, where everything is set up and driven to maximise the happiness and well-being of residents. We aim to make life at a Milkwood home a positive life-enhancing experience in a relaxing, yet uplifting sanctuary. The Orchard is an excellent example of how we have developed and continue to achieve this.

OUR HOME IS YOUR HOME

The Orchard has been built in the grounds of our sister home, Ganarew House in Monmouthshire, and is set in a stunning location surrounded by the picturesque Wye Valley and Forest of Dean. The new home has been meticulously planned and built taking into consideration insightful feedback and recommendations gathered from residents and staff from all our homes.

A CLOSE-KNIT INTIMATE ENVIRONMENT

The Orchard has fourteen very spacious individually designed and styled rooms, each with a walk in wet room. Each window at the Orchard offers far-reaching views of the surrounding countryside and wonderful views down the Wye valley. It has a beautifully planned lounge and conservatory area, which benefit from panoramic views.

The Orchard has level paving and patio areas outside where residents can sit and enjoy the views with family and friends. The gardens have been landscaped and planted with various shrubs and fruit trees that will offer colour and interest through the changing seasons.

OUR FAMILY

ATTENTIVE, PROFESSIONAL CARE

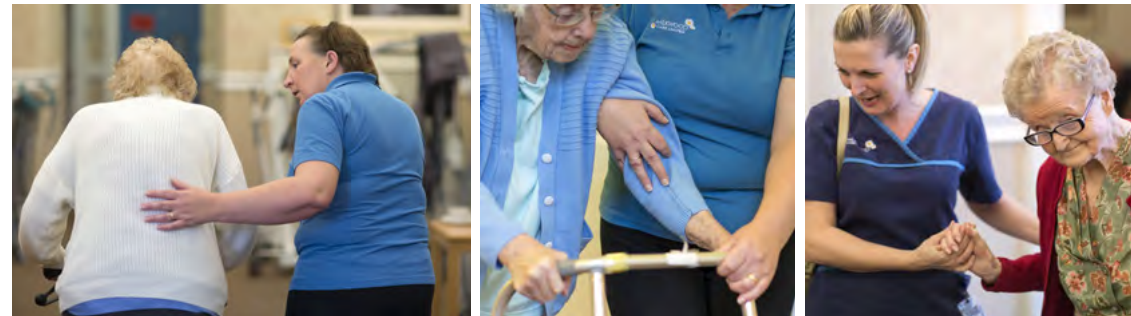

Our enthusiastic and dedicated staff are one of our most valued assets. Our fully-qualified team provide 24/7 care and we work hand in hand with local health professionals, who are on call for when we require specialist care. We train all our staff to the very highest standards, ensuring they are abreast of the latest techniques in dementia care or stimulation therapy, for example. As a registered care home, we are able to care for residents with dementia. Our support team are talented in their roles; every employee at The Orchard has a part to play in delighting our residents, whether they are one of our guest entertainers, experienced kitchen staff or a member of our efficient administrative team. Our residents enjoy 5 star catering - our talented chefs serve a wide range of delicious mealtime delights.

VARIETY IS THE SPICE OF LIFE

Our rich schedule of regular and ad hoc activities gives our residents the opportunity to participate in their favourite pastimes, learn new skills, venture outdoors and keep their minds & bodies fit and alert. We have a creative and enthusiastic support team who devise a broad programme of activities, including reminiscence therapy, musical movement, flower arranging and other crafts. We run our own minibus and organise regular outings and visits.
